
Torrent Wrath Of The Titans 720p

the more you rage, the more powerful you are. any hit you land now does more damage and your rage stacks up. rage is also extremely powerful, and can cause all hell to break loose. you can then call upon the peril of the titans ability to cause any point on the map to erupt with a tornado of earthquakes, rocks, and energy. the storm is invincible for 10 seconds and expands rapidly. as soon as the storm is over, everything you've rained down is gone, you've lost your rage, and you're back in the fighting. or, you can use the rage of the titans to freeze time to create some distance in a battle. this means you're standing still for a few seconds while at the same time summoning a heavy shield that can block most oncoming blows. this is also your best chance to dodge incoming attacks. kratos' rage meter is very scary and proves a great source of excitement for gamers. then again, this is the best chance to take advantage of rage of the titans. if you're going to have this ability, it's best not to take it while locked in mortal combat with an enemy. rage, after all, drains the rage meter, and it can disappear before you know what hit you. if you'd rather have this power get you going, though, you can use rage of the titans to call out to all the titans on the map and cause them to attack any enemies at the same time. it's a fun way to turn a group of weaker enemies into a group of powerful adversaries. each character also has a specific rage meter on the hud that works just like the rage of the titans meter. when your rage starts to decrease, you will be given time to use rage of the titans. you can use rage of the titans to freeze time, to activate a shield that will stop any attacks for a few seconds, or if you're really feeling brave, to call on all the gods for assistance. this means you're standing still for a few seconds while at the same time summoning a heavy shield that can block most oncoming blows. this is also your best chance to dodge incoming attacks. you can also activate rage of the titans to deal more damage for the few seconds you're standing still.
