MOVIÉME - BONNET MERCI -.The British media often regurgitate the political Left's personal prejudices and leftist-fueled slanders of conservatives, and are seldom willing to challenge the self-interest of those leftist leaders. This misplaced devotion to their own personal ambition has spawned a class of political opportunists who are ready to sabotage the political system because they don't have the physical courage to stand up to the voters or even to their own leaders. Unfortunately, the left is not alone in this quest for power. It could be argued that Jeremy
