Generally, if a member has a public e-mail address, it can be found on the member's website. The office may list a public e-mail address or provide a form directly on the member's website. The U.S. House of Representatives does not provide a listing of public e-mail addresses for the elected Representatives. The Find Your Representative service is provided as a public resource for identifying and contacting a constituent's elected representative. Many who go there want to experience untamed adventure and get a classic photograph. Its' now famous name descends from Methodist minister Frederick Vining Fisher who, on his first visit to Zion Canyon in 1916 allegedly quipped only an angel could land there. For many people, Scout Lookout is a reasonable stopping point. You will have to hike the West Rim Trail from Zion Canyon to this viewpoint. and you will covering most of the distance and elevation gain for the hike.

If you or someone in your group has a fear of heights, consider splitting up here and regrouping at a specified time and place. It can be a great option to head up the West Rim Trail to get views overlooking Angels Landing and Zion Canyon. You do not need a permit to hike on the West Rim Trail.
