The Art of Posuka Demizu: A Review of the Manga Artist's First Collection

Posuka Demizu is a manga artist who has gained popularity for his work on *The Promised Neverland*, a dark fantasy series written by Kaiu Shirai. *The Promised Neverland* is currently serialized in *Weekly Shonen Jump*, one of the most popular manga magazines in Japan. But before he became famous for his collaboration with Shirai, Demizu had already established himself as a talented illustrator with a distinctive style and a vivid imagination. *The Art of Posuka Demizu* is his first art book, which showcases his impressive portfolio of illustrations, sketches, and character designs. The book contains over 200 pages of full-color artworks, as well as new drawings created exclusively for this edition. The book also features comments from Demizu and Shirai, as well as a Q&A section where they answer questions about their creative process and their inspirations. The book is divided into four chapters: "The Promised Neverland", "Other Works", "Original Works", and "Sketches". The first chapter covers Demizu's illustrations for *The Promised Neverland*, including covers, posters, color pages, and character sheets. The second chapter showcases his works for other manga series, such as *Ore Monogatari!!*, *Fire Punch*, and *Ajin*. The third chapter displays his original works, such as concept art, fan art, and personal projects. The fourth chapter reveals his sketches and rough drafts, which give a glimpse into his artistic development and experimentation. *The Art of Posuka Demizu* is a must-have for fans of his manga and illustrations, as well as for anyone who appreciates beautiful and imaginative art. The book is a testament to Demizu's skill and versatility as an artist, as well as his passion and dedication to his craft. The book is available in both physical and digital formats, and can be downloaded as a PDF file from various online sources [1] [2].

Posuka Demizu was born on 17 January 1988, and lives in Tokyo, Japan. She emerged on the manga scene in 2008 with a mini-series for the monthly manga magazine *CoroCoro Comic*. She has worked on a wide range of projects with children's magazines and video game companies. Notably, she has worked with the animation studio J.C.Staff on the series *The Pet Girl of Sakurasou* and illustrated a manga series titled *Oreca Monsters Adventure Retsuden* on the *CoroCoro Comic* magazine based on the popular card game *Oreca Battle*. She has also published several works on the artists' website Pixiv. Demizu is known for her colorful and dynamic style, which combines realistic details with whimsical elements. She often draws fantastical creatures, such as dragons, fairies, and monsters, as well as cute and expressive characters. She uses various techniques and tools to create her illustrations, such as digital painting, watercolor, markers, and pencils. She is also skilled at creating different atmospheres and moods with her use of lighting, shadows, and perspective. Demizu has received several awards and recognition for her work as a manga artist and illustrator. She won the 63rd Shogakukan Manga Award in 2018 for *The Promised Neverland*, along with Kaiu Shirai. She was also nominated for the 11th Manga Taishō Award and the 22nd Tezuka Osamu Cultural Prize in 2018 for the same series. In 2020, she was ranked as one of the top 10 manga artists by Oricon. She has also been featured in various magazines and exhibitions, such as *Jump Ryu!*, *Pixiv Zingaro*, and *Chanel Nexus Hall Ginza*.
