How to Download and Install Microsoft Office Enterprise 2007 Highly Compressed 6 MB

If you are looking for a way to download and install Microsoft Office Enterprise 2007 Highly Compressed 6 MB, you have come to the right place. In this article, we will show you how to get this powerful office suite for your Windows PC in just a few steps.

Microsoft Office Enterprise 2007 is an office suite that includes applications such as Word, Excel, PowerPoint, Outlook, OneNote, Access, Publisher, Groove, and InfoPath. It also features server components for collaboration and data sharing, such as SharePoint Services and Excel Services.

Microsoft Office Enterprise 2007 is designed for enterprise users who need advanced functionality and security. It is available only through volume licensing with no upgrade pricing. However, you can download a highly compressed version of it from the internet that reduces its size from about 500 MB to only 6 MB.

Here are the steps to download and install Microsoft Office Enterprise 2007 Highly Compressed 6 MB:

1. Go to this link: <https://sixapps.blogspot.com/2014/04/ms-office-2007-highly-compressed.html>
2. Click on the "Click Here To Download From 8FileHost" button and wait for the ad to finish.
3. Click on the "Skip Ad" button at the top right corner of the page.
4. Click on the "Slow Download" button and wait for the countdown to end.
5. Click on the "Download" button and save the file to your computer.
6. Extract the file using WinRAR or any other software that can handle ZIP files. The password is sixapps.blogspot.com
7. Open the extracted folder and run the "KGB_Archiver_win_gui_v1.2.0.23.exe" file. Install it on your computer.
8. Open the KGB Archiver software and browse to the "Microsoft office.kgb" file in the extracted folder.

9. Select a destination folder for the decompressed files and click on "Next".
10. Wait for the decompression process to finish. It may take several hours depending on your computer's speed.
11. Open the destination folder and run the "setup.exe" file. Follow the instructions to install Microsoft Office Enterprise 2007 on your computer.
12. Enjoy using Microsoft Office Enterprise 2007 Highly Compressed 6 MB!

Note: This is an unofficial version of Microsoft Office Enterprise 2007 that may not work properly or be compatible with your system. We do not recommend using it for any serious or professional work. Use it at your own risk.

Here are some benefits of using Microsoft Office Enterprise 2007 Highly Compressed 6 MB:

- It saves you time and bandwidth by downloading a smaller file.
- It saves you disk space by occupying less space on your computer.
