How to Download 30 Coins, a Spanish Mystery Horror TV Series

If you are a fan of mystery, horror, and thriller genres, you might have heard of 30 Coins, a Spanish TV series created by Álex de la Iglesia for HBO Europe. The series follows Father Vergara, an exorcist who is exiled by the church to a remote village in Spain, where he gets involved in a dark conspiracy involving one of the 30 coins paid to Judas for betraying Jesus. In this article, we will tell you what 30 Coins is about, why you might want to download it, and how to download it for free from different sources.

What is 30 Coins About?

30 Coins (Spanish: 30 monedas) is a TV series that combines elements of mystery, horror, and thriller. It was created by Álex de la Iglesia, a renowned Spanish filmmaker known for his dark comedy and horror films. The series premiered on November 29, 2020 on HBO Europe and has received positive reviews from critics and audiences alike. Here are some details about the plot, the cast, and the reception of 30 Coins.

The Plot

The series follows Father Vergara, an exorcist and ex-convict who is exiled by the church to Pedraza, a small town in Spain. He hopes to escape his past and his enemies, but soon he realizes that the town is not as peaceful as it seems. Strange phenomena start to happen, such as cows giving birth to human babies, giant spiders attacking people, and zombies rising from the dead. Vergara discovers that these events are related to a coin he owns, which might be one of the 30 pieces of silver paid to Judas for betraying Jesus. The coin is part of a global conspiracy that involves the Holy See itself and threatens the world as we know it. Vergara teams up with Paco, the mayor of Pedraza, and Elena, the local veterinarian, to uncover the truth and stop the evil forces behind the coin.

The Cast

The series features a talented cast of Spanish actors, as well as some international stars. The main characters are:

- Eduard Fernández as Father Manuel Vergara, an exorcist and ex-convict who has a troubled past and a mysterious power.
- Miguel Ángel Silvestre as Paco, the mayor of Pedraza and Elena's husband. He is a good-hearted and loyal man who tries to help Vergara.
- Megan Montaner as Elena, the town's veterinarian and Paco's wife. She is a smart and curious woman who is fascinated by Vergara's coin.
- Macarena Gómez as Merche, Paco's secretary and lover. She is a manipulative and ambitious woman who has a hidden agenda.
- Pepón Nieto as Sargeant Lagunas, a police officer who investigates the strange occurrences in Pedraza.
- Manolo Solo as Cardinal Santoro, a high-ranking official in the Vatican who is behind the conspiracy of the coin.
- Cosimo Fusco as Angelo, Santoro's right-hand man and assassin.

The series also features guest appearances by actors such as Carmen Machi, Paco Tous, Secun de la Rosa, Javier Bódalo, Antonio Velázquez, Nuria González, Greta Fernández, Paul Giamatti, and Najwa Nimri.

The Reception

30 Coins has received positive reviews from critics and audiences alike. It has been praised for its originality, its blend of genres, account or sign in to your existing account.

1. Choose a subscription plan that suits your needs and budget.
2. Download the HBO app on your device or open the HBO website on your browser.
3. Search for 30 Coins on the app or website.
4. Select the episode you want to download and tap or click on the download icon.
5. Wait for the download to finish and enjoy watching 30 Coins offline.

Note: You need to have enough storage space on your device to download the episodes. You also need to have an active HBO subscription and an internet connection to start the download. You can only watch the downloaded episodes on the device where you downloaded them. You also need to renew your subscription every month to keep access to the downloaded episodes.

From Torrent Sites

The second way to download 30 Coins for free is from torrent sites that allow users to share and download files using peer-to-peer technology. Torrent sites are platforms where users can upload and download files, such as movies, TV shows, music, games, software, etc. Torrent sites do not host the files themselves, but provide links to the files that are hosted by other users. Here are some steps on how to download 30 Coins from torrent sites:

1. Download and install a torrent client on your device, such as BitTorrent, uTorrent, qBittorrent, etc.
2. Search for 30 Coins on a torrent site, such as The Pirate Bay, RARBG, 1337x, etc.
3. Select the torrent file that has the best quality, size, seeds, and peers.
4. Download the torrent file or copy the magnet link and open it with your torrent client.
5. Wait for the download to finish and enjoy watching 30 Coins offline.

Note: You need to have enough storage space on your device to download the episodes. You also need to have an internet connection to start and complete the download. You can watch the downloaded episodes on any device that supports video playback. You do not need to renew any subscription or pay any fee to access the downloaded episodes.

The Risks and Precautions

While downloading 30 Coins from torrent sites can be convenient and free, it also comes with some risks and precautions that you should be aware of. Some of these are:

- Downloading 30 Coins from torrent sites might be illegal in your country or region, as it might violate the intellectual property rights of the creators and distributors of the series. You might face legal consequences if you are caught downloading or sharing pirated content.
- Downloading 30 Coins from torrent sites might expose you to malware, viruses, spyware, ransomware, etc. that might harm your device or steal your personal information. You might also encounter fake or corrupted files that might waste your time and bandwidth.
- Downloading 30 Coins from torrent sites might affect your internet speed and performance, as it might consume a lot of bandwidth and resources. You might also face throttling or blocking from your internet service provider if you download or upload too much data using torrents.

To avoid these risks and precautions, you should always use a VPN (virtual private network) when downloading 30 Coins from torrent sites. A VPN is a service that encrypts and anonymizes your online activity, making it harder for anyone to track or monitor your online behavior. A VPN can also help you bypass geo-restrictions and access blocked content from anywhere in the world. Some of the best VPNs for torrenting are ExpressVPN, NordVPN, Surfshark, CyberGhost, etc.

The Best Torrent Sites for TV Shows

If you decide to download 30 Coins from torrent sites, you should know which torrent sites are the best for TV shows. Some of the factors that make a good torrent site for TV shows are: availability, variety, quality, popularity, reliability, security, and user-friendliness. Based on these factors, some of the best torrent sites for TV shows are:

Torrent Site	Features
The Pirate Bay	The most popular and resilient torrent site in the world. It has a huge catalog of TV shows in different languages and qualities. It also has a simple and intuitive interface and a loyal community of users.

RARBG	A reliable and secure torrent site that specializes in high-quality video content. It has a large collection of TV shows in HD and 4K resolutions. It also has a user-friendly design and a helpful rating system.
1337x	A versatile and updated torrent site that offers a wide range of TV shows in various genres and formats. It has a modern and attractive interface and a dedicated section for TV shows. It also has a powerful search engine and a lively community of users.
YTS	A torrent site that focuses on movies and TV shows in small file sizes and high quality. It has a huge library of TV shows in 720p and 1080p resolutions. It also has a sleek and minimalist design and a fast download speed.
EZTV	A torrent site that is exclusively dedicated to TV shows. It has a comprehensive and up-to-date catalog of TV shows in various languages and qualities. It also has a simple and functional interface and a useful calendar feature.

Conclusion

30 Coins is a Spanish mystery horror TV series that follows Father Vergara, an exorcist who gets involved in a dark conspiracy involving one of the 30 coins paid to Judas for betraying Jesus. The series is a thrilling and captivating watch that combines elements of mystery, horror, and thriller. If you want to watch 30 Coins offline, you can download it for free from official streaming platforms such as Netflix and HBO, or from torrent sites such as The Pirate Bay, RARBG, 1337x, etc. However, you should be aware of the risks and precautions involved in downloading 30 Coins from torrent sites, such as legal issues, malware, speed, and quality. You should also use a VPN to protect your online privacy and security when downloading 30 Coins from torrent sites. We hope this article has helped you learn how to download 30 Coins, a Spanish mystery horror TV series.
