The Odyssey is a 1997 American mythology adventure television miniseries based on the ancient Greek epic poem by Homer, the Odyssey. Directed by Andrei Konchalovsky, the miniseries aired in two parts beginning on May 18, 1997 on NBC. It was filmed in Malta, Turkey, parts of England, and many other places around the Mediterranean, where the story takes place. The cast includes Armand Assante, Greta Scacchi, Irene Papas, Isabella Rossellini, Bernadette Peters, Eric Roberts, Geraldine Chaplin, Christopher Lee and Vanessa Williams.

The Odyssey tells the story of Odysseus (Armand Assante), the king of the ancient Greek kingdom of Ithaca, who is called to service in the Trojan War after the birth of his son Telemachus, much to the dismay of his wife Queen Penelope (Greta Scacchi). Odysseus is worried that he may not return, and tells Penelope that she should remarry by the time Telemachus is a man if he does not return. The war lasts ten years, during which Greece's best soldier, Achilles (Richard Trewett), is killed and the Greeks avenge him by using a giant horse to sneak inside and destroy the city of Troy. Laocoön (Heathcote Williams) tries to warn the Trojans of a vision of this, but is suddenly devoured by a sea monster. Odysseus' ego gets the best of him and he tells the gods that he did it himself, which angers Poseidon (voiced by Miles Anderson) so much that he promises to make Odysseus' journey home to Penelope nearly impossible, mentioning that it was he who sent the sea monster to devour Laocoön.

Odysseus and his men initially stop on an island dominated by one-eyed giants, the Cyclopes. A Cyclops named Polyphemus (Reid Asato) traps them in his cave intending to eat them, but Odysseus gets him drunk on wine, causing him to pass out. Then, he sharpens a tree branch into a stake and blinds the Cyclops, allowing them to escape by hiding under sheep skins when he removes the heavy stone door. Polyphemus screams for help, but Odysseus had tricked him into stating that his name was "Nobody", so the Cyclops is shouting that nobody has tricked him, arousing no suspicion. Odysseus and his men escape, but Odysseus brashly taunts the Cyclops who asks his father Poseidon to avenge him. This makes Odysseus' journey home harder.

Odysseus travels to an island where Aeolus (Michael J. Pollard) provides him with a bag of wind to help him home, instructing him to open it when he gets close to Ithaca. One of his men opens it prematurely blowing them off course. They then encounter Circe (Bernadette Peters), a beautiful witch who turns some of his men into pigs. Odysseus is protected by a magic herb given to him by Hermes (Freddy Douglas), and forces Circe to restore his men. He becomes her lover for a year before resuming his journey.

Circe tells Odysseus that he must visit the Underworld and speak to the blind prophet Tiresias (Christopher Lee) to find out how to get home. There he meets his mother Anticlea (Irene Papas), who had died of grief waiting for him; Achilles (Richard Trewett), who regrets choosing glory over a long life; and Agamemnon (Roy Dotrice), who was murdered by his wife Clytemnestra (Geraldine Chaplin) and her lover Aegisthus (Tony Vogel) upon his return from Troy. Tiresias tells Odysseus that he must avoid harming the sacred cattle of Helios on an island he will come across; otherwise he will lose all his men and suffer more hardships. He also warns him that when he returns home he will find suitors trying to marry Penelope and take over his kingdom.
