## **Tile Fun APK: A New and Fun Way to Match Tiles**

If you are looking for a new and fun way to match tiles, you should try Tile Fun APK. Tile Fun APK is a brand new tile matching game that offers you a completely new game play. Unlike ordinary mahjong or matching games, Tile Fun APK lets you match three same tiles to solve challenging puzzles. You can download Tile Fun APK for free from APKCombo or Google Play Store and enjoy hours of fun and brain training.

### **What is Tile Fun APK?**

Tile Fun APK is a puzzle game developed by Mint Games. It has over 10 million downloads and a 4.5-star rating on Google Play Store. The game is suitable for all ages and can be played offline or online. The game has over 1,000 levels, each with different tiles selection and layouts on the tatami board. The game also has rich wallpapers, a lucky turntable, and subscription options for more rewards and benefits.

### **How to play Tile Fun APK?**

The game play of Tile Fun APK is simple but addictive. Here are the steps to play:

- Tap to place the tiles on the tatami into the stack. Three similar tiles will be matched.
- When all tiles are matched, you win!
- When there are 7 odd tiles on the stack, you may need to re-challenge this level.
- If you want to get more stars, you should match faster to activate the combo.

### **What are the features of Tile Fun APK?**

Tile Fun APK has many features that make it stand out from other tile matching games. Here are some of them:

#### **Rich wallpapers**

You can change the styles of the tatami board and the background every day. There are many wallpapers to choose from, such as animals, flowers, landscapes, and more. You can also unlock more wallpapers by completing levels and earning stars.

## **Lucky turntable**

You can spin the lucky turntable every day and get more rewards, such as coins, hints, shuffles, and more. You can use these rewards to help you solve puzzles faster and easier.

## **Subscription options**

If you want to enjoy more benefits and features, you can subscribe to one of the two options offered by the game:

- A weekly subscription costing \$3.99 per week after a 3-day free trial period.
- A monthly subscription costing \$9.99 per month.

After buying any of the subscriptions, you will remove the non-optional banner and interstitial adverts from the game. You will also get exclusive background wallpapers, free resurrection once per game, and double rewards every day.

## **Why should you download Tile Fun APK?**

There are many reasons why you should download Tile Fun APK and play it on your Android device. Here are some of them:

### **Train your brain and have fun**

Tile Fun APK is not only a fun game but also a brain training game. It can help you improve your memory, concentration, logic, and strategy skills. You can challenge yourself with different levels of difficulty and complexity. You can also compete with your friends and other players online and see who can match tiles faster and better.

### **Enjoy a unique game play and design**

Tile Fun APK is not an ordinary tile matching game. It has a unique game play that requires you to match three same tiles instead of two. It also has a unique design that uses tatami boards and colorful tiles. The game also has rich wallpapers that you can change according to your mood and preference. The game has a smooth and easy control that makes it enjoyable to play.

### **Access exclusive benefits with subscription**

If you want to get more out of the game, you can subscribe to one of the two options and get exclusive benefits. You can remove the annoying ads, get more wallpapers, get free resurrection, and double rewards. You can also cancel the subscription anytime you want.

## **How to download Tile Fun APK?**
