What is Stickman Warriors?

Stickman Warriors is a stickman fighting game developed by ViperGames. It was released in November 2017 for Android devices. The game has over 50 million downloads on Google Play Store and has a rating of 4.2 out of 5 stars from more than 880 thousand reviews.

A stickman fighting game with realistic physics and hardcore gameplay

The main feature of Stickman Warriors is its realistic ragdoll physics and hardcore gameplay. You can perform amazing stunts and blows to defeat your opponents using simple controls. You can use the WASD keys or the arrow keys to move and attack. You can also dodge, jump, power your ki, become ultra instinct, and use super hero skills.

A multiplayer online game with different modes and customization options

Stickman Warriors is also a multiplayer online game where you can fight against other players from around the world using your very own deadly stickman warrior. You can choose from different game modes such as story mode, survival mode, versus mode, tournament mode, or training mode. You can also customize your stickman warrior with different costume styles, weapons, armor, and special abilities.

A game with several campaigns and exclusive soundtrack

Stickman Warriors also offers several campaigns with different levels of difficulty and challenges. You can fight against various enemies such as ninjas, zombies, robots, aliens, and more. You can also enjoy the exclusive soundtrack composed by Deceased Superior Technician, which adds more excitement and intensity to the game.

What is Stickman Warriors 1.3.5 Mod Apk?

Stickman Warriors 1.3.5 Mod Apk is a modified version of the original game that offers some extra features and benefits that are not available in the official version. These features and benefits include:

A modified version of the original game that offers unlimited coins and gems

One of the main advantages of Stickman Warriors 1.3.5 Mod Apk is that it gives you unlimited coins and gems, which are the main currencies in the game. You can use these coins and gems to buy new weapons, armor, and special abilities for your stickman warrior. You can also use them to upgrade your stickman warrior's stats and skills.

A version that allows you to unlock all weapons, armor, and special abilities

Another benefit of Stickman Warriors 1.3.5 Mod Apk is that it allows you to unlock all weapons, armor, and special abilities in the game without having to spend any coins or gems. You can choose from a variety of weapons such as swords, axes, hammers, spears, guns, bows, and more. You can also equip your stickman warrior with different armor such as helmets, chestplates, gloves, boots, and more. You can also use different special abilities such as fireballs, lightning bolts, telekinesis, invisibility, and more.

A version that has no ads and no root required

Another advantage of Stickman Warriors 1.3.5 Mod Apk is that it has no ads and no root required. This means that you can enjoy the game without any interruptions or distractions from annoying ads. It also means that you do not need to root your device to install the mod apk file, which can be risky and complicated.

How to Download and Install Stickman Warriors 1.3.5 Mod Apk?

If you want to download and install Stickman Warriors 1.3.5 Mod Apk on your device, you need to follow these simple steps:

Download the mod apk file from a trusted source

The first step is to download the mod apk file from a trusted source. You can find many websites that offer the mod apk file for free, but you need to be careful because some of them may contain viruses or malware that can harm your device. We recommend you to download the mod apk file from [this link], which is safe and reliable.

Enable unknown sources on your device settings

The second step is to enable unknown sources on your device settings. This is necessary because the mod apk file is not from the Google Play Store, so you need to allow your device to install apps from other sources. To do this, you need to go to your device settings > security > unknown sources > enable.

Install the mod apk file and enjoy the game

The third step is to install the mod apk file and enjoy the game. To do this, you need to locate the mod apk file on your device storage > tap on it > install > open > enjoy.

How to Play Stickman Warriors 1.3.5 Mod Apk?

If you want to play Stickman Warriors 1.3.5 Mod Apk on your device, you need to follow these simple steps:

Choose your stickman warrior and customize its appearance

The first step is to choose your stickman warrior and customize its appearance. You can choose from different stickman warriors such as ninja, samurai, pirate, knight, zombie, robot, alien, and more. You can also customize your stickman warrior's outfit, weapon, armor, and special ability.

Enter the arena and fight against other players or enemies

The second step is to enter the arena and fight against other players or enemies. You can choose from different game modes such as story mode, survival mode, versus mode, tournament mode, or training mode. You can also join or create a room to play with your friends or other players online. You can use the WASD keys or the arrow keys to move and attack. You can also dodge, jump, power your ki, become ultra instinct, and use super hero skills.

Collect coins, gems, weapons, and health kits to upgrade your stickman warrior

The third step is to collect coins, gems, weapons, and health kits to upgrade your stickman warrior. You can earn coins and gems by winning battles, completing missions, or watching ads. You can use these coins and gems to buy new weapons, armor, and special abilities for your stickman warrior. You can also use them to upgrade your stickman warrior's stats and skills. You can also find weapons and health kits on the arena that you can pick up and use.

Tips and Tricks for Stickman Warriors 1.3.5 Mod Apk

If you want to improve your skills and win more battles in Stickman Warriors 1.3.5 Mod Apk, you need to follow these tips and tricks:

Use different weapons and special abilities to defeat your opponents

One of the best ways to defeat your opponents is to use different weapons and special abilities that suit your play style and strategy. You can choose from a variety of weapons such as swords, axes, hammers, spears, guns, bows, and more. Each weapon has its own advantages and disadvantages, such as range, speed, damage, and durability. You can also use different special abilities such as

fireballs, lightning bolts, telekinesis, invisibility, and more. Each special ability has its own cooldown time and energy cost, so you need to use them wisely.

Avoid taking damage and keep moving

Another way to defeat your opponents is to avoid taking damage and keep moving. You need to dodge their attacks and counterattack them when they are vulnerable. You also need to keep moving around the arena to avoid being cornered or surrounded by enemies. You can use the jump button to jump over obstacles or enemies. You can also use the power button to power your ki and become ultra instinct, which makes you faster and stronger for a short time.

Complete missions and explore different game modes to earn more rewards

Another way to defeat your opponents is to complete missions and explore different game modes to earn more rewards. You can complete missions by fulfilling certain objectives such as killing a number of enemies, surviving for a certain time, or using a certain weapon or ability. You can also explore different game modes such as story mode, survival mode, versus mode, tournament mode, or training mode. Each game mode has its own rules, challenges, and rewards. You can earn more coins, gems, weapons, and special abilities by playing different game modes.
